Out-of-town barbel trip really pays off for Alf and his mates

TAKING a trip out of town really paid off for four city lads – as they shared more than 50 barbel from the mighty Trent!

And the two-day safari saw them all net doubles, fish to 12-4, among the 52 whiskers landed from the Collingham AA stretch at Newark.

Linford Tackle's Alf Walker and pals Colin Cooper, Francis McConville and 'Nick' found the river in top form with bite after bite keeping them cheerfully busy throughout their time on the bank.

■ BUT there was barbel action much nearer home for Paul 'Nipper' Stuart as he tried his hand with a pole on MKAA's Ouse, near the weir, at Stony Stratford...landing a 9-8 whiskers from a section far from noted for the species.

"Could not believe what I hooked as I have heard nothing but detriment and ill health about this stretch...I had an excellent day with a net full of a range

of fish...wish I had my phone with me for some snaps..." he posted on facebook.

THE cut has been fishing for some – amid the holiday boat armada – with Willards' Sean Wilson getting good roach nets...on elderberries. He's also had carp to 3lb on punch in the Bradwell area, presumably from MKAA's stocking of small 'supacarp' a year or three back.

■ IT was GoneFishin one and two as, in MK's summer league's final round, GF Blue won on Furzton – after a points

tie with stablemates GF Red – with Black Horse third. The three squads finished in the same overall league order.

Blue's Darren Davis was top individual on the day with 38-2, and league champ as well in a starstudded field featuring the likes of serial England gold medallist Steve Ringer in what was notionally a 'club level' series...

League: GF Blue 155, GF Red 140. Horse 106, Maver Black 100, DATS & Maver Red both 99, Tackle Hub 91, Maver Green 82, Royal Oak 76, Kingfisher 1 59, KF 2 35.

■ DATS' evening series finished predictably: with Ernie Sattler 20 points clear of the rest. Paul Chapman won the final round (Cosgrove cut) with 6-1 as Ernie had second on 5-1.

■ NENE/Towcester, Flecknoe: Kev Elliott 72-10, James Harris 70-6, Barry Harris 52lb.
