

As Team Ringer masters the Feedermasters, patriarch...

Geoff shows the younger guys how

RING-a-ding-ding! Team Ringer are Feedermaster super-league champs thanks to a runaway final-round win spear-headed by grand-master Geoff Ringer.

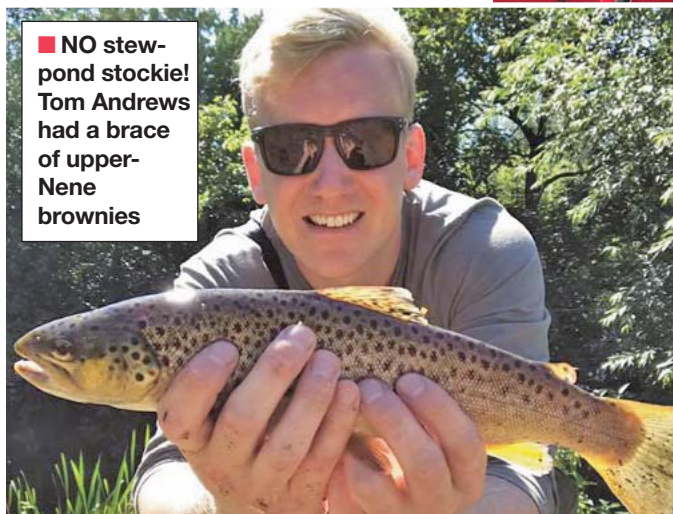

They went into Sunday's Barston match eight points adrift of Nu Fish...and came out 26 points clear with three section wins and a second out of four.

And 'grandpa' Geoff led the way – overall winner with a Barston PB of 167-12 – mostly carp caught at either 65 yards or down the side.

Steve and Phil Ringer and Rob Wootton had been praying Geoff would be drawn on peg 124: "And I was," he said, "It was as though it was meant to be. I only had to get a feeder in the lake for a double-figure carp to drag my rod round!"

He's been on a roll of late, topping a practice match in the run-up to the previous round and then winning the Ivan Marks memorial on Ferry Meadows.
