Pike angler's 'chilling out' session on reservoir brings...

Near 40 pounder from Pitsford!

THERE are pike, big pike, and – every so often – absolutely HUGE pike...and one of the latter has just been banked from Pitsford!

One small stockie-trout snack short of the magic '40' mark, this leviathan took the scales all the way to 39-2.

Unlike so many reservoir 'dogs' this one didn't fall to a

boat angler's lure, but took a smelt deadbait fished on the narrows by bank angler Paul Adams...who a week earlier had pushed his PB to 28-10 on the same water.

The Kettering-based printer deadbaits Pitsford whenever he can, enjoying 'chilling out' on the bank, and said: "Finding big ones is like looking for needles in a haystack, but it is worth it when you do."

Whether the on-going drought having reduced the 600 acre water to almost 1976 levels was a crucial factor is anyone's guess, but it has certainly made the 'haystack' a lot smaller.

• ARE you a top lure angler – there are a lot of aces about of late – then why not bid for a Team England squad place?

Freshly appointed by the Angling Trust for next year's world champs on Rutland, manager Steve Collett is calling for topclass volunteers experienced in boatfishing and use of fish-finder electronics.

Any takers should email sandra.johnson@anglingtrust.net applying before January 26. If you don't ask you won't get in!

• TWO successive bone-chilling frosts made Boddington rock-hard for Sunday's Ringer pairs which saw Geoff Ringer and Steve Cooke top dogs with three points ahead of Ringer juniors Phil and Steve on four after they'd gone ahead of Mo Williams and Carl Barnfield (also on four) on weight.

 WITH one round to go Meadowlands' individual league is all over bar the shouting as, following Sunday's win, Wayne
