

## Meadowlands' league match winner Pell's weight...

# Almost treble the next man's

**SO** far out front the others couldn't even see his dust let-alone his heels – that was Guru's Andy Pell in the latest Meadowlands teams-of-three!

In a blistering performance – on a peg from which he'd been runner-up on 94-6 in the previous round – he almost trebled the next man's weight with 22 carp on feeder for 155-6.

Next up, almost 100lb adrift, was Ray Durrant on 58-6 followed by Nigel Smith 56-4. Both were out for Team Meadowlands, but a disappointing third-man result meant they finished second on the day with 13 points (two ahead of Guru) as Lowdowns won without a man in the top three.

With three rounds to go, Garbolino lead overall on 50, one point ahead of Garbolino who are four up on Guru.

● **A FEW big Ouse chub are coming out despite the weather. 'MK Piker' had a rod-thumping after-work battle with a 6-4, and days earlier downstream of MK and Newport – Den Reid bagged a new PB at 6-11 on luncheon meat. Pete Lima had a 4-2 on Olney's section.**
