

Ringers in the lead as feeder league becomes...

A downhill race to the finish

WAY out front – but not unbeatable! That's local crew Ringer Baits as the Sonu Baits feeder league heads into its final round.

Sunday's fourth leg saw them gain 18 valuable points – way 'oop north on Carr Mill Dam near St Helens – and increase their league lead to 16 points as main rivals NuFish North had a bad day at the office.

But...with a max of 60 points on offer for a clean-sweep, it is all there to fish for in the up-coming final round at Barston the week after next.

Sunday's round followed the previous day's Car Mill 100 peg open, which saw veteran Geoff Ringer win some brass and his section with 16lb to brighten up his weekend no-end.
