

## Ringers storm Ferry Meadows in a style which...

# Would have made Ivan proud

**O**NE, two and three – that was Team Ringer on Ferry Meadows in the latest Ivan Marks Memorial charity open.

**Gunwade pond's big bream – five and six pound fish – were mad on feed as the sky clouded over and blew a real hooley.**

And in a style the great matchman would have appreciated had he been looking down, Steve Ringer won with 19 slabs on the tip for 98-6 with bro' Phil getting 16 for 94-12 and teammate Rob Wootton taking third on 74lb.

Money raised in the match went to a charity named after Ivan, represented on the day by his widow Linda, which will donate it to heart disease research.

● STANWICK is still on a roll, producing two 30lb+ fish this week. Jamie Cooper had a 35-14 common from Mallard with Matt Goodwin getting a 34 mirror.

**And teenager Antony Stevenson was walking tall after**

**beating his PB twice in one outing as he banked a 19, 21, 23-4 and a 23-10 from Elsons and then, walking past Mallard, tried a cast...and caught a 22lb common.**

● GILDERS Tackle's Pete Dixon and Dan Todd's after-work session on Towcester's Silver Lake saw them share 10 carp to 16lb on method down the side.

● SUNDAY's Matrix commercial champs third-round, on Meadowlands, saw Chris Cameron net 205lb ahead of Barry Byrd 170-6 and Richard Hull 170-3.

With one round to go that leaves Phil Canning with a perfect three point score (so far) with Dave Brown and Doug Tresign tied on four.

● IT was another good day at the office for White Hart Flore oldies in their Tofts midweeker as Garry

Muddiman won with 183-11. Tom Griffiths had 135-4 and Glen Tilson 123-5. Sunday's Barby Banks club outing fell to Dave Chapman, 84-8, followed by Mick Wheeler 71-8 and Muddiman, 69lb.
