

An afternoon out with Trent barbel and Zs sees...

Duo land seven doubles!

AN away-day on the Trent turned out to be a real cracker for county specimen hunters Patric Kyte and Richard Graham.

First – as the target barbel were slow to show – Richard put out a deadbait for zander...and was soon into an 11-5.

Then the whiskers moved in, and the pair had no less than three doubles EACH with Richard's best scaling 13-13 and Patric's 11-6.

Days like that must stand out in anyone's memory, no matter how many good fish they may catch in the future.

● **ONE** man who was just as happy, maybe even more so, was Bob Palmer who overcomes a disability to regularly fish with Loco on their outings and who, on Sunday, managed to win the club's Barby Marshes sweep with 34-8.

Bob was overjoyed with his first success and, to be fair, most other competitors were chuffed for him, too. Tony Smith had 22lb and Wayne Wright 18lb.

● **FISH** of a very cold week at Stanwick was Craig Waddington's 28lb mirror.

● **TOWN's** SAS are still kicking up dust in the Bedford league, with the Olney Ouse round seeing Dave Chamberlain third with 10-10 of roach on poled hemp. Though mid-table as a team several Sports & Social lads are currently in the series individual frame.

● **THE** latest Boddington pairs (sold-out) saw Phil and Steve Ringer top with a perfect two point score as Terry Fowkes and Andy Pickford had three and Richard Edmunds and Snowy Ashington five.

● **WHITE** Hart Flore, Flecknoe: Steve Johnson 112-10, Dave Chapman 73-6,

Gary Muddiman 45-10. Club Wednesday Boys, Dog Lane, Terry Perrin 58-7, Tom Griffiths 33-1, Jeff Wiggins 32-15.

● **MEADOWLANDS** league fourth round: Richard Watts 82-8, Matt George 71-2, Stuart Palser and Alan Walton both 67-14.

● **CASTLE** Ashby opens: Wed., Wayne Robinson 22-2, Frank Pizamenti 12-14, Alan West 5-8; Sat., Chris Garratt 16lb, Pizamenti 10-12, Robinson 8lb; Sun., (Grendon) Richard Dunkley 34-4, Pizamenti 20lb, John Kent 14-14; (Scotland) Mick Wheeler 29-12, Steve Bull 21-14, Martin Faulkner 18lb.

● **GLEBE**, Dennetts, Dave Jones 41-3, Dave Haddon 27-2, Geoff Green 21-11.

● **FLORE & Brockhall**, Dog Lane (silverfish): Mick Chambers 14-9, Tony Ward 11-15, Brian Johnson 7-8.

● **CASTLE** league round, Canons: Paul Lafflin 13-12, Paul Brand 11-8, Jeff Rice 11-7.

● **TOWCESTER** Vets, canal at Bugbrooke: Tosh Saunders 6-4 of perch, Brian Ayliffe 1-10, Graham Prince 1-8.

● **NENE/Towcester**, canal, Castlethorpe: Mick Goodridge 5 good perch for 5-8-8, Pete Laughton 3-14, Les Ramsden 3-12-8 ■
