## Roach fest on the Nene!

Wellingborough's Christmas match.

competitors all caught with a top weight of almost 20lb - and that was despite a number of pike snatching at hooked fish.

- GILDERS' Dan Todd fished the Barnwell Nene for a double-figure net of roach to 14 ounces.
- JUST as the river seems to be experiencing something of a roach revival...last week's Chron included a planning application for a hydroelectric unit near Barns Meadow whitewater centre - which
